A garden to walk in and a prayer for reflection
What could be better than flowers at your feet with the heavens rising above?

Stay tuned for Garden updates at www.stvictoria.net and on Facebook!

Spring 2023

St. Victoria Parish Family invites you to be a part of its new Prayer & Reflection Garden. The garden will be filled with hundreds of flowers, along with your inspired intentions of celebration, hope and remembrance.

At the south end of our property, a prayer path will weave through perennials and evergreens with colorful reminders of the blessings that God provides. Along the path, there will also be eight stones etched with the Beatitudes. This is a place for prayer and meditation.

 GARDEN 

A Garden For All

The Brick Program

For \$100 each, you may customize a brick to celebrate a milestone moment in your family (special birthday or anniversary). Or, you may wish to offer an inspiring quote or choose to remember a loved one whose memory will be a part of the garden's enduring appeal. The bricks will be placed along the border of the prayer path.

St. Victoria Parish Family will net \$81 for each brick we sell. Those monies will be used to excavate the land, remove the briars and buckthorn, create the path and prepare the land for the planting of over 600 flowers and plants.

Granite Benches

Eventually, there will also be five granite benches along the Prayer Path: a place to sit and reflect on the natural beauty surrounding you.

The benches will be offered for sale as memorials. A memorial plaque will be placed on the bench at \$6,000 for one plaque per bench. Or a bench can be shared with up to three plaques per bench at a split cost of \$2,000 or \$3,000 per plaque.

All net proceeds from the benches will go toward the development of the garden.

Thank You!

We believe this garden will provide countless hours of enjoyment for the people of our parish and the community. We hope it inspires its visitors to connect with God in a meaningful way and be assured of His presence through the beauty of the earth.

The best remedy for those who are afraid, lonely or unhappy is to go outside, somewhere where they can be quite alone with the heavens, nature and God. Because only then does one feel that all is as it should be and that God wishes to see people happy, amidst the simple beauty of nature. As long as this exists, and it certainly always will, I know that then there will always be comfort for every sorrow, whatever the circumstances may be. And I firmly believe that nature brings solace in all troubles."
